

So You Want to Be a Commercial Realtor? 4CE

Thursday, February 11, 2016
9am-1pm

This course is designed for today's busy residential Realtor, who may have an interest in expanding their services to include commercial real estate as well.

This program will acquaint you with;

- The fundamentals of commercial real estate
- The key differences between residential and non-residential real estate,
- Identification of the "players",
- Types of commercial real estate and types of transactions.
- Methods for valuation of commercial property

Instructor: Linda Olson

This course will be held at the St Augustine Board office,
1789 Lakeside Ave. St Augustine FL. 32084

To register, call 904-829-8738 or e-mail
