

**Wednesday,
March 22 and
Thursday,
March 23,
2017
9:00 AM -
5:00 PM**

Discover the Details of Green Living

Gain the knowledge that distinguishes you as a source for resource-efficient homes with NAR's GREEN Designation courses.

During the two-day experience, you will learn the best approaches to:

- * Connect clients with green DIY resources
- * Use smart home technologies
- * Make a home more resource-efficient
- * Retrofit and replace systems
- * Advise customers and clients through effective remodels
- * Build green from the ground up
- * Sell your listings for more \$\$ by identifying added value
- * Obtain better home appraisals for your customers and clients

What's in it for you?

- **NAR GREEN designation (must attend both days) which includes the first year membership (\$95/yr thereafter) and the Green Resource Council's benefits - webinars, marketing materials, logos, newsletters, etc.**
- **7 CE Credits per day - total 14 CE credits**
- **Credits toward ABR or CRS Designation**
- **A wealth of knowledge to grow your business!**
