

# 1031 Tax Deferred Strategies

## Earn 2 Continuing Education Credits

Rising real estate values, higher tax rates and new taxes were some of the reasons that we've seen a sharp increase in the number of real estate investors who structured their transactions as 1031 tax deferred exchanges. This 1031 seminar will give you a strong foundation in 1031 exchanges as well as covering some of the most recent changes.

- Review 1031 Exchange Guidelines and the Exchange Process
- Benefits and reasons to pursue a 1031 Exchange
- How investors can sell their investment property and later move into their dream property...without paying taxes
- How to exchange vacation homes and second homes
- Like-Kind property
- Reverse and Build-to-Suit Exchanges
- Today's market and maximizing opportunity
